

Key Features

		Now Shipping	Scheduled Launch: August 2010	Scheduled Launch: January 2011
		SU-1000Li	SU-2000Li	SU-1500-DC
Key Features	Applications	AV Equipment Computer Equipment Credenza Racks	AV Equipment Power Amplifiers Computer Equipment CCTV Surveillance Equipment Large Data Systems Life/Safety Data Centers and Security Systems	AV Equipment Recording Studio Equipment DSP (Digital Signal Processors) Computer Based DSP Audio Systems Professional Recording Systems Digital Mixing Consoles ProTools and all DAWs
	Benefits	<ul style="list-style-type: none"> <li>The perfect solution for credenza equipment! Provides enough battery backup time to properly shut down your system, saves rack space, and is only 10 1/2" deep.</li> <li>Features Line Interactive UPS technology and automatic voltage regulation to protect equipment from sags and surges and preserve battery power during blackouts.</li> <li>The SU-1000Li additionally provides fail safe, A-1-1 Certified, Advanced Series Mode® Surge Elimination/Power Conditioning protection and EMI/RFI Filtration. SurgeX technology eliminates surge energy without producing harmful side effects such as ground contamination or common-mode disturbances that can degrade audio/video performance.</li> </ul>	<ul style="list-style-type: none"> <li>A premium UPS solution, engineered for mission-critical applications. Provides extended battery backup capacity for robust systems that require additional run time and power to shut down.</li> <li>Features Line Interactive UPS technology and automatic voltage regulation to protect equipment from sags and surges and preserve battery power during blackouts.</li> <li>Includes hot swappable batteries and a virtually unlimited expandable battery pack that extends runtime for critical applications.</li> <li>The SU-2000Li additionally provides fail safe, A-1-1 Certified, Advanced Series Mode® Surge Elimination/Power Conditioning protection and EMI/RFI Filtration. SurgeX technology eliminates surge energy without producing harmful side effects such as ground contamination or common-mode disturbances that can degrade audio/video performance.</li> </ul>	<ul style="list-style-type: none"> <li>Built for the Audio and Music industry, this sophisticated online backup solution provides the purest power, without any interruption.</li> <li>Superior to Line Interactive products, the SU-1500-DC features premium Online UPS technology that continuously passes incoming power through a Double Conversion inverter, provides always on battery power, and eliminates battery mode switching time disruptions that can impact the performance of AV equipment. Reacts instantaneously to surges, spikes, sags, brownouts, blackouts, and over-voltages.</li> <li>Includes hot swappable batteries and a virtually unlimited expandable battery pack that extends runtime for critical applications.</li> <li>The SU-2000Li additionally provides fail safe, A-1-1 Certified, Advanced Series Mode® Surge Elimination/Power Conditioning protection and EMI/RFI Filtration. SurgeX technology eliminates surge energy without producing harmful side effects such as ground contamination or common-mode disturbances that can degrade audio/video performance.</li> </ul>
	UPS Type	Line Interactive	Line Interactive	Online (Double Conversion)
	Capacity	1000 VA / 600 W	2000 VA / 1760 W	1500 VA / 1200 W
	Dimensions/Depth	3.5" Height x 19.0 Width x 10.5 Depth Credenza Friendly	5.25" Height x 17.3" Width x 24.0" Depth	5.25" Height x 17.3" Width x 17.0" Depth
	Rack Size	2 RU	3 RU	3 RU
	Control / Communications Port	USB	USB, RS-232, and optional SNMP Card	USB, RS-232, and optional SNMP Card
UPS Technology	UPS Power Management & Diagnostic Software	✓	✓	✓
	Automatic Voltage Regulation	✓	✓	✓
	Over/Under Voltage Protection	✓	✓	✓
	Back-Up Run Time	4 Minutes Full Load 10.4 Minutes Half Load	7.1 Minutes Full Load 17.2 Minutes Half Load	5 Minutes Full Load 12.7 Minutes Half Load
	Hot Swappable Batteries		✓	✓
	Expandable Battery Pack		✓	✓
SurgeX Technology	Advanced Series Mode® Surge Elimination	✓	✓	✓
	Impedance Tolerant® EMI/RFI Filter	✓	✓	✓
	Network/Phone Protection	✓	✓	✓
Specifications	Input Power Configuration	15 Amp / 120 Volt	20 Amp / 120 Volt	15 Amp / 120 Volt
	Outlets	6 Outlet (2 UPS / 4 NON-UPS)	6 Outlet (all 6 UPS)	6 Outlet (all 6 UPS)
	Product Warranty	11 Years	11 Years	11 Years
	Battery Warranty	2 Years	2 Years	2 Years
	Made in the U.S.A.	✓	✓	✓
	A-1-1 Certified	✓	✓	✓
	ETL Certified to UL 1449	Pending	Pending	Pending
RoHS Compliant	✓	✓	✓
